PERKINS PHOTOGRAPH

M. H. BOLENDER

Mr. Bolender began collecting coins in 1907 at the age of twelve, when his grandfather handed him a bag of old coins, including a British gold sovereign of 1822. He bought some of his first coins from a firm called the Money and Stamp Brokerage Co. of New York. He has been active in the field ever since. By the time he was eighteen, he had built up one of the best numismatic libraries.

Thoroughly American, his forefathers came to Pennsylvania over 200 years ago from Holland. About 1840 they emigrated to northern Illinois. Mr. Bolender has lived in this county (Stephenson) all of his life and served during World War I in the 14th U.S. Infantry, 19th Division.

In 1939, Mr. and Mrs. Bolender built a large modern home of their own, suitable for the business also. Both find time to enjoy their home, neighbors, and friends, and are active in church work. Mr. Bolender is a member of the American Numismatic Association, Chicago Coin Club, American Numismatic Society, and others. He has attended coin conventions for many years, and is always delighted to meet collector friends.

Mr. Bolendar has traveled extensively and studied government coin collections in the National Museums of London, Oslo, Copenhagen, Munich, Dresden, Berlin, Stockholm, Paris, Vienna, and others; also important public and private collections in this country. He is personally acquainted with the curators of the above foreign museums, and studied most extensively in the British Museum.

Thirty years ago his hobby was coin-collecting. Today it has become his business, and a big business, too. He likes to work and get things done. If he has put in 14 to 16 hours of office work in a day, he is happy. Today, for a hobby he turns to garden flowers, and home movies on kodachrome. He has always enjoyed trips to the northern lakes of Wisconsin, Minnesota, and Canada; and on his first deep-sea fishing trip off southern California landed a 32-pound halibut that he has not equaled since. He likes to hunt rabbits and pheasants.

More than a million coins have passed through his hands in thirty-six years of collecting and dealing in them. He likes coins of all series, ancient, U.S. and foreign; also medals and paper money. He has specialized in most U.S. series at some time or other, and built up many fine collections. He likes to help other collectors with favors, and help them add to their collections.

## KIND WORDS NEVER DIE

"We have heard a lot of praise about the fine way in which you conduct your auctions and business, and it is a pleasure for us to insert advertising and copy having this background."—Hobbies Magazine.

"I consider the prices you obtained were very good indeed, and your careful attention to all the details working up to the sale were excellent, and the accuracy of your accounting is very gratifying."—Springfield, Mass.

"This is to thank you sincerely upon the splendid results you secured on the sale of my coins and medals. You certainly catalogued my collection in fine style, and the result was better than expectations. Your promptness and courtesy in connection with my sale is worthy of special commendation. Your check has been received with thanks."—Col. John A. Hooper, Sr., California.

"I cannot help but express my appreciation of the very nice manner in which you handled my affairs, and I am very much pleased with the results. It certainly is a great comfort to deal with a capable and reliable dealer like yourself."—Cleveland, Ohio.

"I was interested in the interesting and attractive way in which you described my coins in your catalogue, and I am very much pleased with the result of the sale."—A.W.B. Winnipeg, Canada.

"I am well satisfied with the returns. I want to recommend you and your careful way of doing business to anyone wishing a first class job of selling done for them."—L. B., Marengo, Iowa.

"To say that I am pleased with the results, is putting it mildly. In the past 50 years I have disposed of several coin collections via auction, and I can truthfully say that this is the first time I was entirely satisfied."—A.W.R., Chicago.

## A PERSONAL MESSAGE

One hundred and fifty auction sales of coins are a lot of sales for any dealer to handle. Again I feel that I want to thank the collecting public and friends for their hearty support of my sales in the past. I shall strive to merit a continuance of the same.

My 100th sale of the Alex P. Wylie, M. L. Beistle, and A. M. Smith collections, held in November, 1935, broke all records of mine, for total number of bid sheets received. I am asking you personally, to send me a bid sheet for this sale, in order that a new record may be made at my 150th sale. Will you help do this, either by sending some bids, or handing the catalogue to a friend who will do so? It will be more than appreciated.

I wish you a full share of happiness and good health through the new year. Let us pray for our country and our men in the armed forces. Let us work and hope for victory for America in 1943.

M. H. BOLENDER.

## TERMS OF SALE

**All bids by mail.** We have over two thousand customers who are interested in these sales. They live in every state of the union, and in some foreign countries. They can not all come to Freeport in person each month to attend an auction. In fact, not one per cent of them could do so. In fairness to those who live at a distance, and cannot attend a sale in person, we request all bids to be sent in advance of the sale, by mail.

**Coins will be bought below your bids** where other offers permit, as this is competitive bidding, executed in good faith.

**No unlimited bids** will be accepted from anyone, at this sale. Mark your highest limit or bid on the bid sheet, and we will buy as much under this price, as other actual bids permit. **Get your bids in before the date of sale.** Don't wait until the last minute. Help us with our work and we will help you get something.

The usual charge of 5% will be made for executing your bids. No charge is made on anything not actually purchased. Postage and express is paid by the purchaser.

Receipted bills are not sent out after your remittance as this is unnecessary. **Your check, draft or money order itself is a receipt.** However, if a 3-cent stamp is enclosed we will send receipt.

**Be certain that you bid on the lot you wish to buy.** We will correct errors and adjust claims, but you should not expect us to pay for your mistakes. Be careful in making your bids. Be sure that you bid on the lot you wish to buy, and at so much per piece.

**Bids must reach me by the morning of the sale.** Mail them in time so as to avoid disappointment. At each sale some bids arrive too late to be executed.

Between the seller and buyer, my position in describing the condition of coins and bills has been neutral. My classifications are generally considered to be conservative by the collecting public.

**It is easy to bid by mail.** If you do not know how much to bid on any items, write me giving numbers in catalog and I shall be glad to inform you as to values. It is useless and a waste of time to make low bids that have no chance of success. I sincerely hope that each collector acquires some nice lots from this sale that give him a real thrill and joy of satisfaction.

New bidders or customers sending in bids for the first time must positively give first class reference, bank reference preferably, or else send a deposit of at least 25% of the total amount of bids. Otherwise, their bids will not be accepted; application of such deposit will be made upon successful bids; the seller reserves the right to demand payment upon successful bids before delivery in his sole discretion. To those known to be who have established credit, a reference or deposit is not necessary and purchases will be sent out

promptly after the sale. In appreciation of this courtesy the purchaser remits promptly.

**The terms are prompt cash settlement** after sale, and no time given. Collectors who are not certain that they can pay promptly, are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

**Remit by money order, draft, check, or in any way most convenient. Stamps accepted for accounts that are below one dollar only.**

All coins and other items are guaranteed genuine, unless otherwise stated.

Please bid by the piece unless stated to bid for the lot. Thus, if there are 12 pieces in a lot and you wish to pay \$6 for the lot, then bid 50c. At each sale someone bids by the lot. Don't do this—bid by the piece. Exception—where stated to bid for lot.

**NOTE**—A printed list of all the prices realized at this sale will be sent for fifty cents (50c). Send coin or stamps with your bids so as to reserve a price list, or if you prefer, we will add the cost to your bill of items purchased for you at this sale. Keep posted on coin values as they are today, and order a price list in advance of the sale. After the sale they cost \$1. Before, they are 50 cents.

## 151st SALE NOW IN PREPARATION

Our 151st auction sale of coins is now in preparation. Send us your collection or consignment now, or as soon as convenient, as we are always engaged in getting up a sale. Better prices are now being realized.

If your collection is large or valuable, write us first giving a general outline of what you have, and mention some of the best pieces. We are centrally located in the United States, and will make personal calls, when the owner desires an interview, or the collection warrants it. There is little delay until a sale is prepared and settlement after the sale is prompt.

We give the catalogue work a lot of time, do all our own catalogue work, and you get the benefits of our long experience of thirty-six years a collector of coins and a dealer in them, and the satisfactory and successful conduct of one hundred forty-nine sales. Collections are safe in our hands, and you are insured against loss of any kind. Bank references furnished as to our financial reliability. We also have over 1,000 signed references and testimonials from satisfied clients, which are open for inspection by collectors.

**DON'T FORGET** that we also purchase collections or single coins for cash, and we pay as much as any other dealer, and more than most of them. **ALSO REMEMBER**, that we advance liberal cash amounts on collections placed in our hands for auction. The amount thus advanced, past experience has proven, has been in some cases, a larger sum than was offered for the same collection by others as a cash purchase.

**AND LAST, BUT NOT LEAST**, better order a price list of this sale, and see for yourself the good prices realized. The cost is only 50 cents, and this can be added to your auction bill after the sale. Please give us your order for a price list, however, before the sale, when you send in your bid sheet.
